## What is Mobility Management?

Mobility Management is a customer centered approach to designing and coordinating mobility options for ALL county residents.

We believe mobility increases independence adding to the quality of life for our county residents.

The main goal is to focus on meeting individual, group and organizational community needs through collaboration with public transit, private transportation providers and community stakeholders.

## Mobility Management Offers

- Coordination of transportation services
- Educate and provide transportation options
- 1 on 1 assistance with clients
- Broker trips
- Free Travel Training
- Speaking Engagements with local community groups

Regional Coordinated Public Transit/Human Services Transportation Plan outlines the priorities and the goals for transportation for our regional.
